

Ware 4 Bins & Recycling

Bins, Trolleys, Recycling and Waste Containers

Waste Transportation

Cleaning and housekeeping carts

Heavy materials handling trucks

A wide range of highly durable waste collection carts and trolleys, designed to move all types of materials both inside and outside.

Benefits:

- Sturdy and durable with reinforced rims and bases
- Resistant to dents; will not rust, chip or peel
- Doubles & triples for multiple waste streams
- Coloured options for easy waste separation
- Large capacities
- Rounded corners and contours for easy cleaning
- Designed to manoeuvre and tip easily

Many designs for all kinds of materials storage and transportation
