

# Ware 4 Bins & Recycling

Bins, Trolleys, Recycling and Waste Containers

## Hospital Schemes

Ware 4 provide a whole range waste, recycling and janitorial equipment suitable for hospitals. Below are a few examples to help get your scheme up and running

### Office & Recycling – Slim Jim

60 & 87 litre Slim Jims are highly durable and available with a wide choice of coloured lids

Colour-coded signage & labelling will ensure waste stays segregated.

### Clinical & Hazardous Waste

Hands-free and fire-resistant pedal containers for the safe disposal of clinical waste. Available in a range of colours and sizes, with optional wheels and silent-close lid.

### Waste Transportation

Triple trolley with 113L bags to segregate waste. Suitable for clinical waste

Highly durable Brute containers come with optional dollies and are ideal for transporting hospital waste safely. Sizes range from 75L to 208L

### Cleaning & Janitorial

Microfibre cleaning products including the lightweight Pulse Mopping Kit with on-board reservoir to reduce the risk of contamination

There are a range of Healthcare Carts for use with all microfibre products. Carts include locking cabinet, mop holder, charging bucket platform and removable caddies.
