

Ware 4 Bins & Recycling

Bins, Trolleys, Recycling and Waste Containers

New Villa Recycling

Closed top Villa single units

Open top Villa single units

Bag retainer

Villa Open top Double

A collection of stylish metal containers ideal for smart office areas and entrance halls. Bodies are available in a black or satin finish with a range of lids that can be colour coded for use in recycling programmes.

Benefits:

- Slimline design reduces footprint making Villas ideal for corridors or areas with a lack of space.
- Sleek and sophisticated for high profile areas
- Range of colour coded lids suitable for multiple waste streams. Black or satin finish base
- Open or closed top lids
- Single 60L and Double 60L 40L options
- Promotes responsible waste separation and recycling
- Internal bag retainers hide untidy looking waste bags

Satin finish base

Stainless steel lid
