

# Ware 4 Bins & Recycling

Bins, Trolleys, Recycling and Waste Containers

## School Schemes

Ware 4 provide a whole range of robust and great value products for recycling in your school. Below you will find a few examples of recycling equipment ideal for schools

### Classroom – Slim Jim

60 & 87 litre Slim Jims are highly durable and available with a wide choice of coloured lids

Colour-coded signage & labelling will ensure waste stays segregated.

### Canteen – Optobins

Durable 100 litre high capacity bin. Available with a number of lid options including a hood & flap for the collection of food waste

### Corridors – Zintec-SQ

Manufactured from robust zintec steel these space-saving units are also fire-resistant & ideal for use in corridors

### Reception – Zintec-R

Like Zintec-SQ these containers are also fire-resistant and the smart design makes them well suited to reception areas and halls – 30L, 60L, 90L & 120L

### Playground

62 litre Litter Eaters with range of animal hoods

42 & 52 litre Pencil Bins

140 & 240 litre Eco Recycling Banks with inner wheelie bin and range of colours and apertures.
