

Ware 4 Bins & Recycling

Bins, Trolleys, Recycling and Waste Containers

Small Offices

If your office has limited space then take a look at some of our space-saving designs for recycling...

Stackabins

Stackabins use a clever stacking system to reduce footprint size. The bins have a 39 litre capacity and are available in a range of colours

Confidential

The lockable personal confidential container fits neatly under a desk to store documents safely

60L Slim Jims

Durable and space-saving. Available with a range of lids

Villa Recycling

This smart, slim line container is available with a black or satin base. Each comes with an open or closed lid in a range of bright colours. 60L single unit or 40L / 60L double unit.

Zintec-R

Made from robust Zintec steel these containers are also fire resistant and come in a range of sizes – including a small 30L slim & 30L chunky.

Desktop TREEHUGGERS

Easy assemble cardboard desktop collectors for waste paper and spent batteries

Beca-Bin

Collects 200 used vending cups & 5 litres of liquid
