

Ware 4 Bins & Recycling

Bins, Trolleys, Recycling and Waste Containers

Uni-cycle

Uni-cycle Tall

The Uni-cycle Tall is high volume waste container, ideal for recycling and waste collection points in a busy office or college environment. Manufactured from durable, high impact polyethylene, Uni-cycle bins come with a selection of colour coded inserts and a variety of apertures for easy separation of multiple waste streams. The Uni-cycle tall is available in two styles – inner wheelie bin or bag holder. The Uni-cycle mini provides a space saving alternative in areas with lower volumes of waste. Both units are available as a locking confidential unit.

Benefits

- 100 L Uni-cycle Tall reduces frequency of emptying
- Uni-cycle mini compliments in areas with limited space
- Both units are highly durable and easily serviced
- Wide range of coloured inserts to comply with WRAP

Confidential Uni-cycle Tall
